

2023 Table Tennis Club Fee Structure (Effective March 1, 2023)

Currently, we offer 3 types of fees to suit different players.

Regular Open Play Session for all ages (Tue/Thu 7:30-9:00pm)

Regular Open Play Session for adults (Age 17 or above) (Wed 7:00-8:30pm)

Your first drop-in is free. Give it a try!

Plan A (Drop-in \$5 per visit, no coaching)

Recommended to those individuals who cannot commit to table tennis but would like to play occasionally

Plan B (Rent A Table, \$20 per table)

You can rent a table during the 1.5-hour session for \$20. Maximum 6 persons per table. Please include the names of the players when sending e-transfer. Please contact us if you need a racket.

Note: This is for a group of 4-6 persons who want to play together within 1 table only for the entire 1.5 hours session. Should your group want to play on separate tables, please pay \$5 per person for plan A. Plan B will get the benefit of having a dedicated table for the entire session, whereas plan A members would share the rest of the tables amongst each other.

Plan C (Unlimited sessions per month. Training sessions offered by our club trainer)

Age 16 and under: \$35 per month (Tue/Thu 7:30-9:00pm)

Age 17 and above: \$50 per month (Tue/Thu 7:30-9:00pm and Wed 7:00-8:30pm)

Recommended to those frequent players who want to play regularly.

Training sessions will be offered by Jianwei and Manav on a regular basis. These training sessions are ideal for those players who have developed the basic skills in table tennis. Due to limited resources in trainers, they may set different priorities to different players. When there are not enough trainers to fulfil training needs, assistant coaches may help us for training.

All Plans A-C: Payment method is interac e-transfer to our club at <monctonttc@gmail.com>

For kids under 16, we currently have a youth training program on Tue/Thu 6:30-7:30pm. This program is for those who are invited to join only. Ask our executives for eligibility if you want your kids to join for our next round. Also, we will have a league tournament once a month on Saturday for kids 16 and under. Every kid 16 and under, from or outside NB, is welcome to join. We will announce the details on our Facebook group. Check with us if you haven't joined our Facebook group yet.

We kindly request you to book your sessions (each individual booking is needed for each person) on Picktime <<https://www.picktime.com/MonctonTableTennis>> and pay the fee via e-transfer to our club prior to the beginning of the session.

Private Coaching (\$10 per 30-min session)

If you or your kids need private coaching, please check with our executives to confirm the availability of coaching resources. Walk-in coaching may be available but we would need to arrange coaching resources to those who reserve coaching on a regular basis first.

NCCP certified coaches: Ingrid and Tom

Assistant coaches: Ron, Neil, Babu

Note: When sending e-transfer, please specify the name of the person to be paid if your legal name is different from the name on Picktime or paying for someone else.

If everyone can book on Picktime and pay via e-transfer before the session, it would take much lesser time to check members' attendance and payment so we all can start playing immediately.

Thank you!
